Other Notes / Clarification

When Are Entertainment Expenses Deductible? (you cannot deduct costs of entertaining yourself. There must be a customer or potential customer involved.

General rule:

You can deduct ordinary and necessary expenses to entertain a client, customer, or employee if the expenses meet the directly-related test or the associated test.

Definitions

Entertainment includes any activity generally considered to provide entertainment, amusement, or recreation, and includes meals provided to a customer or client.

An ordinary expense is one that is common and accepted in your trade or business.

A necessary expense is one that is helpful and appropriate.

Tests to be met:

Directly-related test:

Entertainment took place in a clear business setting, or

Main purpose of entertainment was the active conduct of business, and

You did engage in business with the person during the entertainment period, and

You had more than a general expectation of getting income or some other specific business benefit.

Associated test:

Entertainment is associated with your trade or business, and

Entertainment is directly before or after a substantial business discussion.
