Knob A-4487

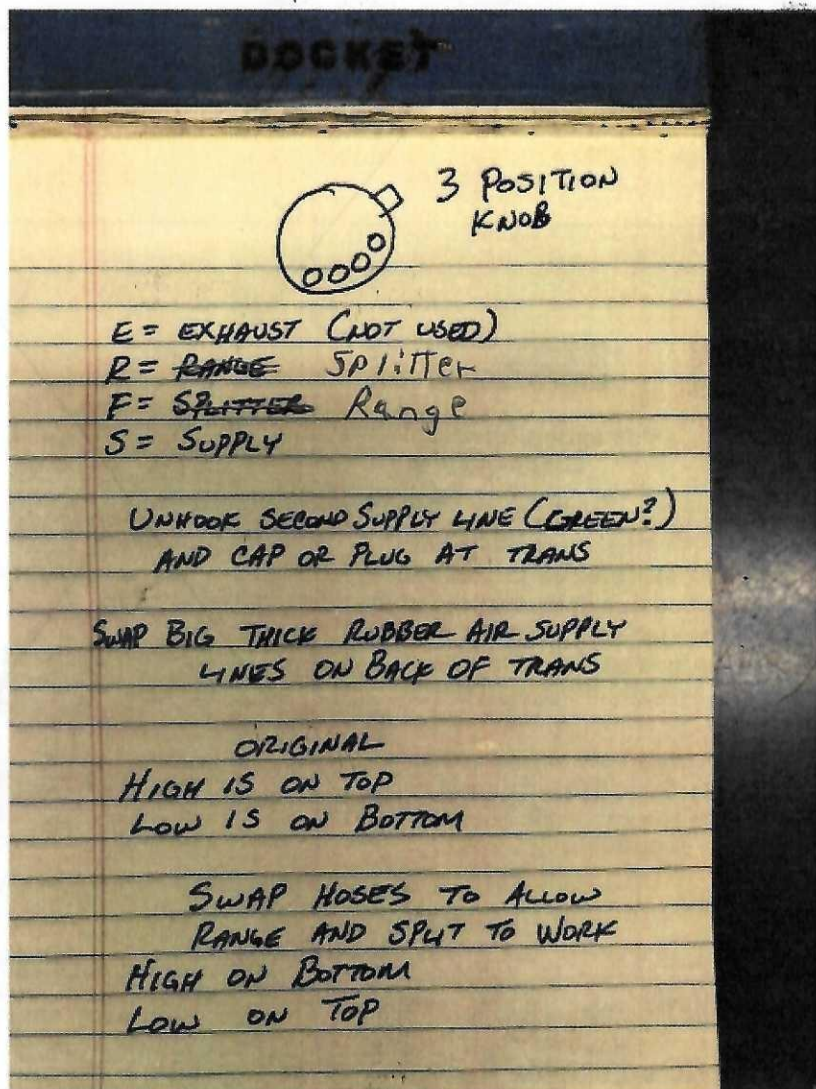

13 speed only
No 18 speed

Positions 3

Low No Air

Dir Port F Air Black Range

OD Port F+R Air Black + Blue Splitter

This what we did. To use the old knobs on the new 13 speeds with the newer slave valves. Not sure what you'd need to do for and 18.

18 speed would need a 4 position knob and only if the porting was right.

Lock on splitter when in
High range (pressured)

State Tax Adjustment Surcharge - Monthly charge or credit to reflect changes in various state taxes. The surcharge may vary by bill component.
Transmission Charge - Part of the basic service charges on every customer's bill for transporting electricity from the source of supply to the electric distribution company. The Federal Energy Regulatory Commission regulates retail transmission prices and services. This charge will vary with your source of supply.
Tax Cut and Jobs Act Credit - Monthly adjustment for federal tax changes.
Actual - Measures your monthly electricity use based on an actual reading.
Estimated - Determines your monthly electricity use based on the weather and your past usage.
