

IN THE
1ST DISTRICT COURT - LOGAN
COUNTY OF CACHE, STATE OF UTAH

State of Utah vs. JEREMY JOHN SHARP Date of Birth: 09/21/1985	<h2 style="margin: 0;">Affidavit of Probable Cause</h2>
Arrestee	

On 01/12/2019 22:36 the defendant was arrested for the offense(s) of:

#	Offense Date	Offense Description	Statute	Gov Code	Severity	DV
1	01/12/2019	FALSE EMERGENCY REPORT-EMERGENCY INVOLVING INJURY/DEATH	76-9-202(2)(D)	UT	F3	No
2	01/12/2019	INTERFERENCE WITH ARRESTING OFFICER	76-8-305	UT	MB	No
3	01/12/2019	DISORDERLY CONDUCT AFTER REQUEST TO STOP	76-9-102(4)	UT	MC	No

I believe there is probable cause to charge the defendant with these charges because:

On 1/12/19 seven Deputies, two Troopers, a Cache County Ambulance, and Hyrum First Responders responded to the report of an auto pedestrian accident in Hyrum. The complainant, later identified as Jeremy Sharp, reported that an individual had been hit near 500 W 400 N in Hyrum. Jeremy refused to provide dispatch with any other details and said that he was not near the patient and was unable to access them.

I arrived at the incident location where Jeremy was laying on his back with his head facing south, parallel to the road and just outside of the travel lane on the southbound lane of 500 W near the intersection of 400 N. This is an intersection where Jeremy has previously reported concerns about semi-trucks cutting the corner across the parking lot there.

Jeremy had no apparent injuries, there were no tracks or other indications that an accident involving a vehicle had occurred. Jeremy told me that he had been hit by a tanker truck hauling milk, he said that last night he had been hit by a tanker truck hauling gasoline. EMTs arrived and accessed Jeremy from head to toe looking for trauma. Jeremy did not indicate any pain and would not talk to EMTs much. While EMTs were attempting to access Jeremy he was texting on his cell phone, dispatch updated us that they were receiving texts through 911 from Jeremy asking for assistance.

We attempted to assist Jeremy to the ambulance to be further evaluated, he refused to walk. EMTs brought a gurney to Jeremy and loaded him onto the gurney and wheeled him to the ambulance. After being cleared medically we had Jeremy get out of the ambulance, he acted as if he was going to stand then went limp and began to collapse to the ground.

Another deputy and I carried Jeremy to the rear area of my patrol pickup where I told him that he was under arrest for falsely reporting an accident to 911. Jeremy immediately began pulling away, two troopers assisted us in getting Jeremy's hand behind his back and cuffed while he continued to pull away despite being ordered to stop resisting. Jeremy had to be lifted into the rear cage area of my pickup where I seatbelted him in. At the jail Jeremy continued to refuse to walk and had to be carried into the jail by jail deputies.

Jeremy's false report of a serious accident triggered an emergency response involving several agencies.
